 *QUOD* vetusta hæc præclara antiquitatis monumenta, maximis à me vigilijs, summoque labore, in ære incisa, sub tui nominis auspicijs in lucem emittam, multa me causse incitauerunt. Ut enim silentio præteream, eiusmodi esse innatam tibi de omnibus virtute præditis benemerendi voluntatem, ut hæc ipsa sola deuincire deberet omnium tibi studia, & labores; quantum ad hanc opinionem meam accessisse existimas, eo, quod Romanus es, quodq. vere Romanus, hoc est, quod, in Illustrißimo totius Orbis terrarum Theatro, tamquam actor, collocatus, eam geris personam, ut incredibilem tui admirationem summo cum amore coniungas? Romanus es, & ideo, Romanarum antiquitatum studiosissimus, Museum pulcherrimis statuis, nummis, libris, refertum habes; & præstantem animi magnitudinem illustri nominis splendori adequas. Quod igitur Romanorum illorum, quorum proculdubio memoria tibi maxima voluptati esse debet, potentiam, amplitudinem, & elegantiam, seu postliminio reuocatam, in hoc signorum genere attingit, tibi, Romano, & natione, & animo, & animi magnitudine, do, dico. Beneuole, quod ab ingenij mei tenuitate proficiscitur, excipere ne dedignare; meque, tui studiosissimum, tuo præsidio fove, & tuere.
